

The New Look of **NICOTINE ADDICTION**

Did you know?

In New York State:

- E-cigarette use among high school students **increased 160%** between 2014 and 2018.
- More than **1 in every 4 high school students** and more than **1 in 3 12th graders** have used e-cigarettes.

Vape pens, pod devices and e-cigarettes are not harmless. They contain nicotine and other harmful chemicals.
